ABOUT

Footsteps2Brilliance is your partner in making learning engaging, accessible, and effective for every child, with innovative tools that bring out the brilliance in students, teachers, and communities.

FOUNDERS

ILENE ROSENTHAL

CEO & CO-FOUNDER

Ilene is the Founder and CEO of Footsteps2Brilliance®, a company designed to scale early learning by connecting school and home through mobile technology, and expanding strategies for parental involvement in order to help all children realize their full potential.

EUGENE NARCISSO

COO & CO-FOUNDER

Eugene is the COO and Co-Founder of Footsteps2Brilliance®. He is focused on creating successful systemic educational reform—statewide and district-wide infrastructures—to create critical mass with the strongest adoption success rate within the country.
